LUDLOW. GABLE'S STONE BAY CASTLE.

LL5991

TUCK'S POST CARD.

CARTE POSTALE. POSTKARTE.

Stokesay Castle is a fine example of a 13th century mansion. It is surrounded by a 22ft. moat and possesses a gatehouse of considerable interest. The interior, as well as the exterior, of this old castle is most interesting, and the half-timbered projection at its north end, shown in the view, is particularly quaint.
